

## **SITE UNSEEN**

By Jan Levy

[www.london-artgallery.co.uk](http://www.london-artgallery.co.uk)

e:jan@london-artgallery.co.uk

This narrative piece shows the main buildings at the site during construction. Colours have been fabricated and reference to colour association has also been utilised in some instances; alongside text on some images.

The aim is to make a fun piece of art and at the same giving credence to the Olympic Site.

There are subtle humour references in some images.

The piece is a limited edition piece of only 45.
