

My favorite oils

Eucalyptus

Allows you to transform the root cause behind your "need" for stress, pain, and other symptoms that compromises your wellbeing. An expansion oil, that helps you receive more.

Balance

A grounding and calming oil that helps you stand strong and create peace in your head. An all time favorite.

Lemongrass

An oil that creates movement and flow and cleanses out limiting beliefs that keeps you stuck.

Forgive

This oil is a most for letting go of the past. Letting go of emotions and letting go of the inner critic. A daily helper

Tea Tree

For setting those energetic boundaries so you don't pick up others emotions but stay home in your own energy and own experience.

On Guard

Speaking of boundaries, this one is for you who needs to learn to say no. who need to learn your own limits and create a healthy environment around you as well as within yourself.

DigestZen

That extra help for processing and digesting life. All those emotions, life events and impressions during a day -big as small.

My favorite oils

Pink Pepper

Add this one to your diffuser when you fall into the trap of comparison. It works everytime.

Bergamot

Self acceptance. Self confidence. Self worth. Self esteem. Self love. This oil will change how you see yourself. A true confidence booster.

Magnolia

Infuses compassion into your life. For yourself and others. A sweet flowery smell that will melt all your worries away.

Copaiba

Let go of shame, guilt, and fear. Create an inner feeling of safety and calm down your nervous system when it's completely out of balance. (Great for sleep).

Lavender

A calming oil that helps you feel your needs and express them. Speak-your-truth-oil.

Citrus Bliss

Sunshine and happiness on bottle. This one will lift your mood and get your creativity flowing.

Rosemary

Transforms negative thinking into positivity & helps process transitions

Rose Touch

Allows you to keep your heart open to receive and give from a balanced place. The oil of unconditional love.
