GOOD TO KNOW IF YOU VISIT DENMARK

We are happy that you have chosen to travel to Denmark, and we are delighted to welcome you here. Denmark is a small country with 5,9 million citizens. It is a country characterized by flat land and many fields. Most Danes speak english well, which will hopefully make it easier for you to get around. We have collected some practical information for you as a visitor. We hope you will find it useful.

CURRENCY, EXCHANGE, AND CREDIT CARDS

The currency is Danish krone DKK. 1 EUR equals 7,44 DKK. Credit cards are widely accepted (Visa and Master Card) except for public transportation where you can buy tickets online.

- Busses and tram: <u>fynbus.dk</u>
- Trains: <u>dsb.dk</u>

BANKS AND ATMS

In Denmark most ATMs can be used at all hours and you can withdraw cash with Visa, Cirrus, Eurocard or MasterCard. Banks are usually open until 4pm but many banks in Denmark are cashless and therefore refer to ATMs.

WEATHER AND CLOTHING

You will be visiting Denmark in June which usually is a sunny, chilly, and a breezy month. The average temperature during a typical day ranges from 19°C in the daytime and 11°C during the night. We recommend a sweater and light jacket when going outside.

LANGUAGE

The native language in Denmark is Danish but most Danes speak English very well as their second language.

The language at the festival will be in English.

ELECTRICITY

In Denmark the electricity is 230 Volts and electrical frequency is 50 Hertz. If you need a converter, the most popular one is Plug C that is also known as the Euro plug.
