

Swimming Club Celebration

Melton Mencap Swimming Club had a lot to celebrate on Monday 21st August. Joined by the Lions we celebrated the joint team work between the swimming members and the Lions Club. We raised £576 for our Mencap Charity and much thanks goes to Edward Kitchen and his massive effort in raising a lot of the money. We had our own mini Swimathon due to the cancellation of the Lions Swimathon in the spring. Thanks so much to the Lions for their care and support as always. Leah and Jason are so proud of our amazing Mencap Swim Members! Let's hope the Lions don't have to cancel another event, the fundraising they do is so important.
