

MEXREAL

- Mexreal Food AB by Martinez & Rodriguez was founded 5 years ago.
- The dream – and purpose – is to bring the Authentic Mexican Ingredients to the Nordic Market.
- Arturo Martinez and Rodrigo Rodriguez started by importing Mexican quality products to their own restaurant. From there started to work with food producers in Mexico supporting to upgrade the products being ready for export to Europe.

AROUND THE WORLD

They are created to be shared with the whole world, that's why they have the characteristics necessary to reach every corner of the world, with the same taste and freshness then the day we made it.

ALWAYS SOFT AND DELICIOUS

We have developed the right technology that allows us to guarantee 15 months of life to our product and best of all without need for cooling.

The result is transport logistics and less expensive storage, making them more competitive.

CHARACTERISTICS

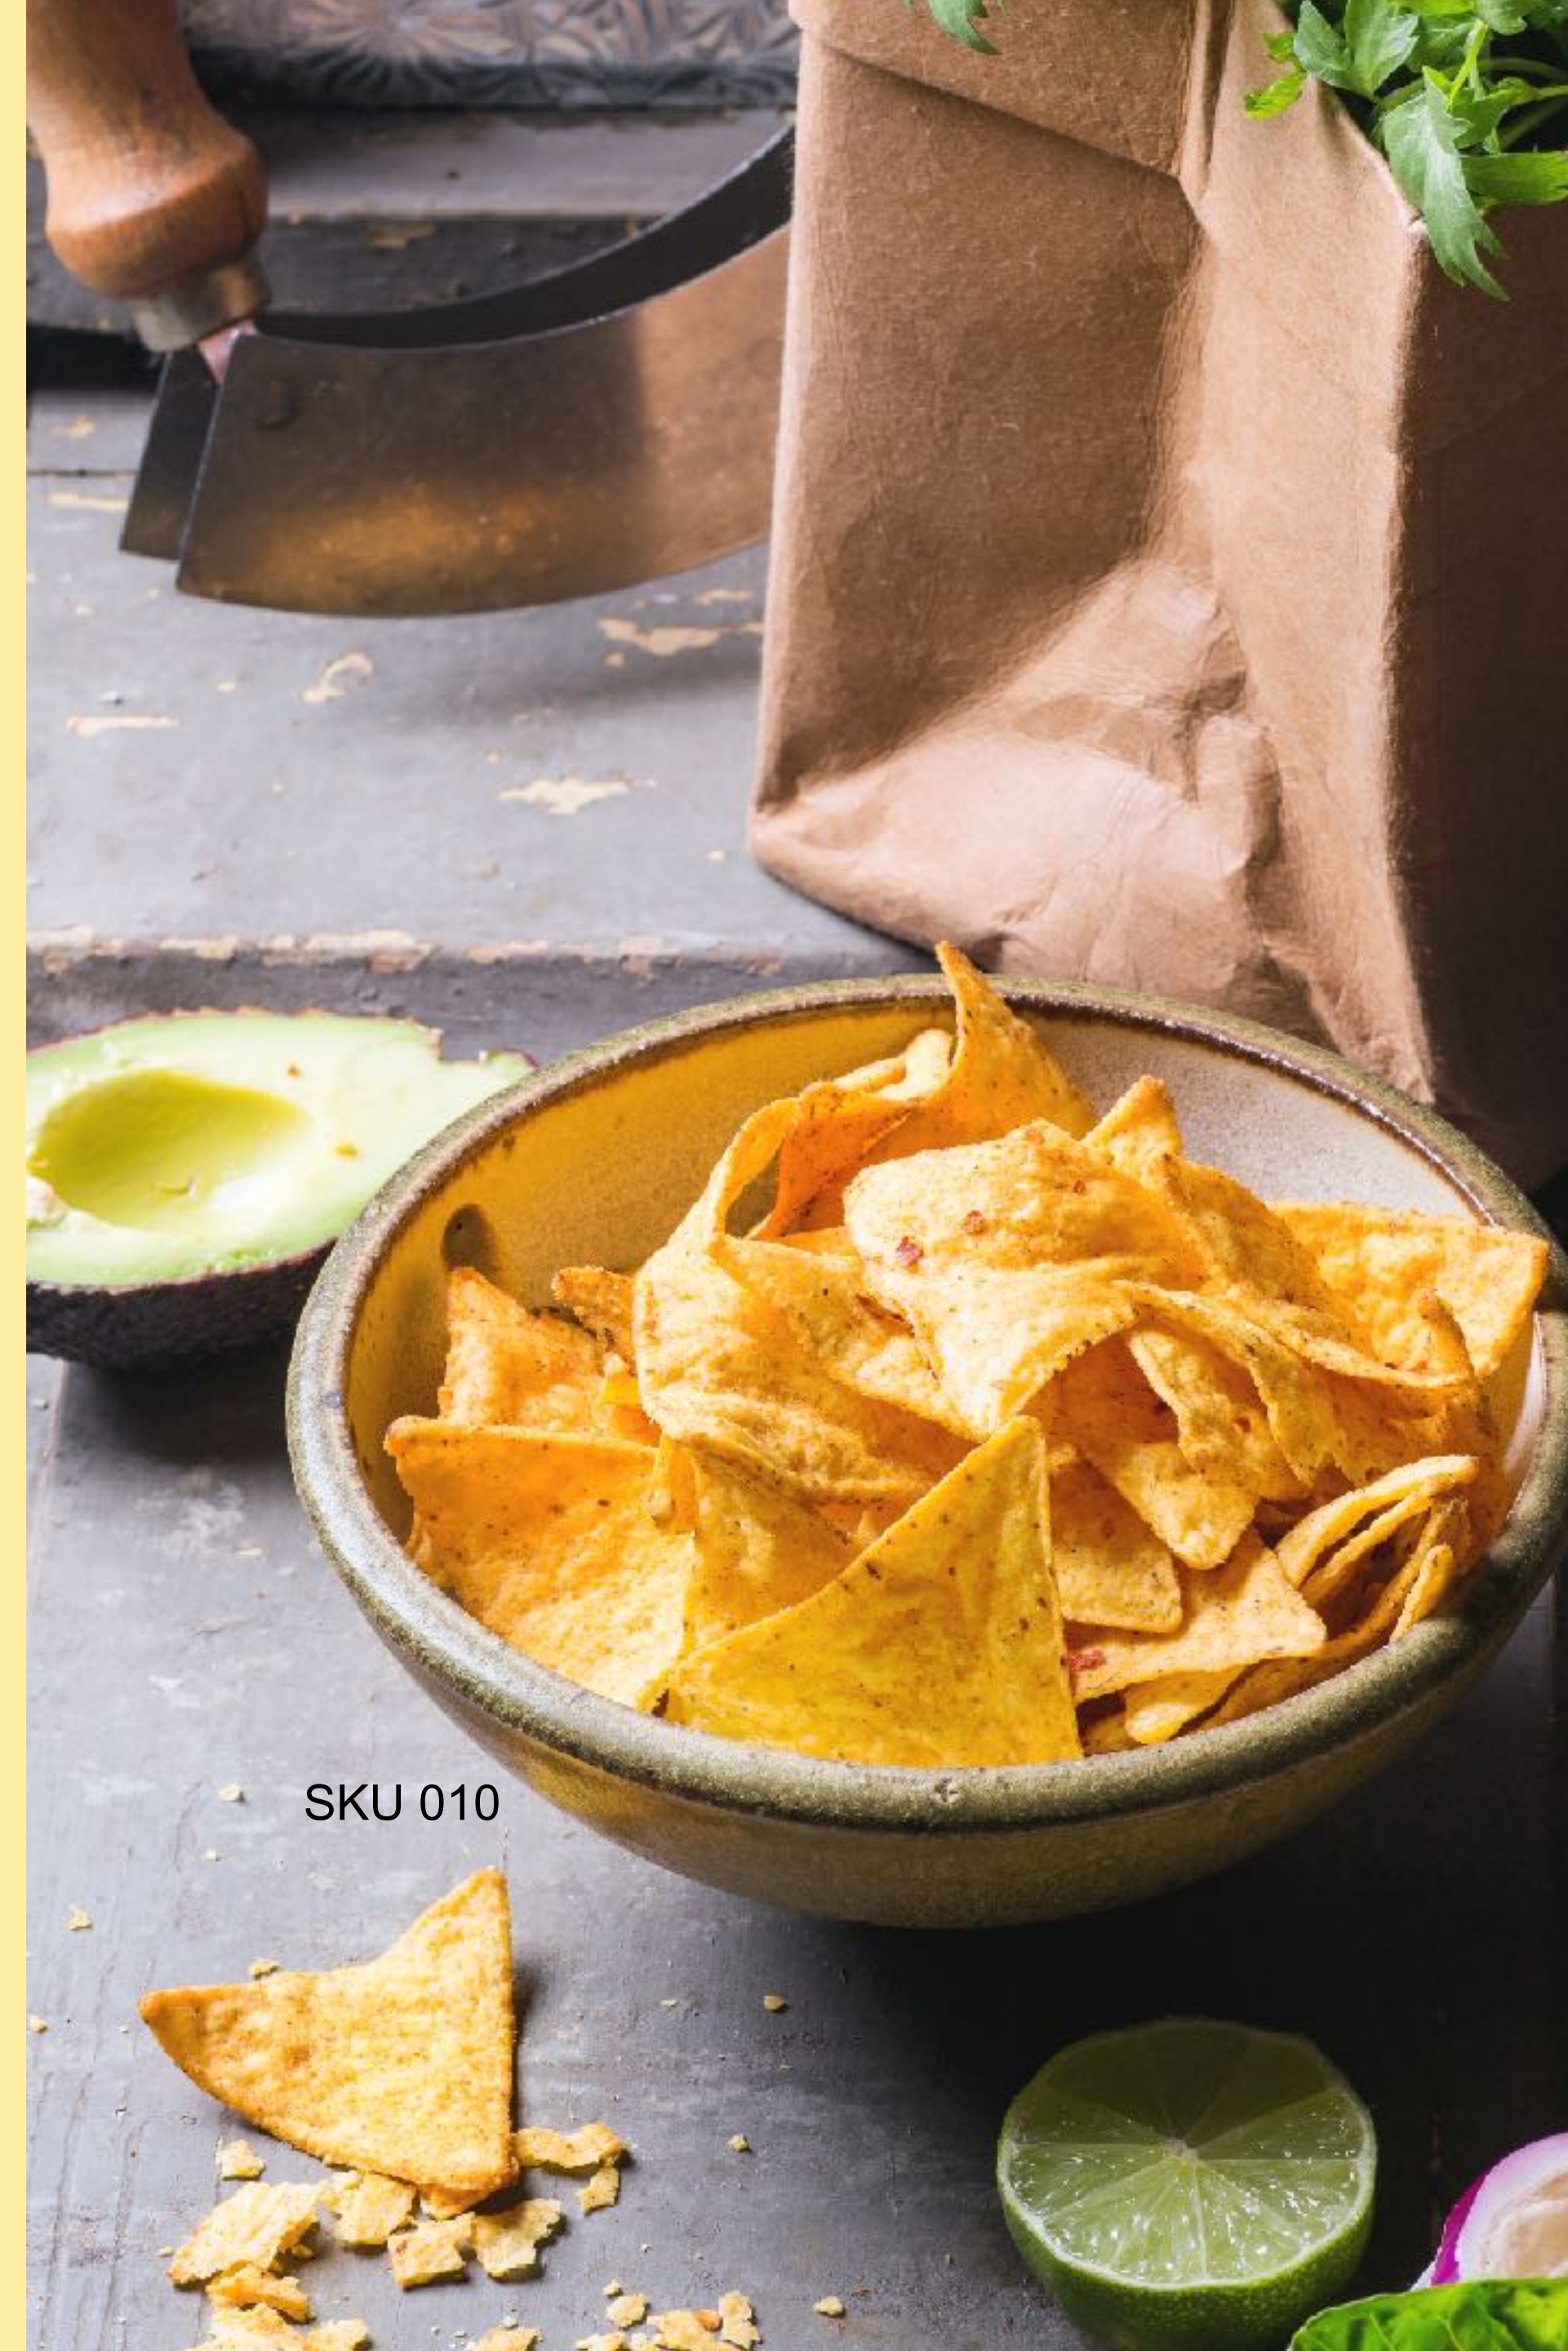

- Shelf life 15 months.
- Ambient temperature.
- Once opened 15 days in refrigeration
- Vacuum packaging
- Gluten Free (Certified)
- Vegan (Certified)
- GMO Free
- Kosher
- Halal

Mex Real Food brings homemade flavors traditional and authentic directly to your home!

All our flavors are inspired by the grandmothers who inherit generation after generation.

All served with unconditional love only

For you.
