

Friday 8th October 2021

Thank you for all of your kind contributions for our Harvest Festival last week. The food provided will go a long way in helping people in need.

This week in English, children used their thesaurus skills to plan and begin to write a setting description of a cemetery. These will be completed next week.

In Maths, children continued their work on multiplying 2-digit numbers. The majority of children are now very confident with this.

Home-learning

The Year 6 teachers were left a little disappointed this week with the amount of homework we received. We expect all home-learning books to be brought in by Wednesday.

For home-learning this week, children can either continue to work their way through the checklist or create a poster/fact file about one of these influential scientists, which relate to our topic of 'Light':

Thomas Young (1773 – 1829)

Sir David Brewster (1781 – 1868)

Jean-Bernard-Leon Foucault (1819-1868)

Please remember that homework is due in on a Wednesday.

Croydon Cross-Country Finals

Congratulations to all 12 children from Year 6 who competed in the Croydon finals on Wednesday 6th October. Their behaviour and effort was impeccable. We are proud of you!

Football

Next Friday 15th October, the boy's football team are playing in the second round of the cup against Chipstead Valley. This will take place on the school field afterschool. You are welcome to come and cheer the boys on against a very tough team.

Have a restful weekend,

The Year 6 Team

Mrs Bhasin, Mr Davies, Miss Hilton and Mrs Kovacs-Pereira
