# YEAR 4

Dear Parents, Carers,

Our topic for this term is **Blue Abyss**. In computing, Year 4 have been learning how to use the internet in a more efficient and trust worthy way, so that when researching they know they are reading credible information.

This weekend, could your child show their efficiency by researching a topic?

Here are some suggestions:

- Trash in the deep
- The declining food supplies for marine life
- The effects of industrial fishing
