

**Friday 15<sup>th</sup> July 2022**

Dear parents and carers,

**Reminders:**

Next week, the weatherman says it will be HOT HOT HOT. We please insist that parents and carers ensure, that your child has a water bottle, a hat, and sun cream to apply before going outside. If your child has hay fever, please remember to give them their medication before they come to school as we will not be able to administer any non-prescribed medication at school.

**Sports day:**

Due to the weather we are having a shortened version of sports day just in the morning of Monday 19<sup>th</sup> July, please note that the picnic after sports day has regrettably been cancelled. We still ask that children should arrive and spend all day in their PE kits.

**Maths No Problem:**

Year 3 have been continuing the topic of fractions, we have been learning about equivalent fractions. Can your child tell you lots of fractions that are equivalent to one half and about the pattern that they noticed this week?

**Spellings:**

This week we have set spellings on **Sumdog**, once again to see if this a more effective, eco-friendly way. Please can you allow sometime this week to go on Sumdog and practise these spelling words as they will still be tested on them next week. We were pleased with the amount of children practising their spellings online, but if your child hasn't done so yet please encourage them to do so.

**English:**

Year 3 have finished their topic on pronouns by writing wonderful detailed narratives, retelling the story of King Midas' golden touch. We asked them to showcase all their learning in English this year and we are proud to say they have done a fabulous job.

**Art:**

As promised here are a few photos of our completed Art Redefined Icarus' falling into the sun. I am sure you will agree that they are beautiful pieces of art. Feel free to ask your child how they made them.

**Kingfishers Class Collective Worship:**

A huge thank you to all Kingfisher parents that attended Wednesday's class worship and supporting their children. We are proud of how hard they all worked. It was a lovely reminder of all we have been through together in Year 3 and we all still have that brilliantly catchy song stuck in our heads,

**Upcoming events:**

**Monday 18<sup>th</sup> July:** Sports day

**Tuesday 19<sup>th</sup> July:** Year 6 leaver's church service

**Thursday 20<sup>th</sup> July:** Class parties

**Have a wonderful weekend, take care in the heat.**

**Mrs Driscoll, Miss Hewitt, Miss Selvam, Mrs Wilson and Miss Yang.**

*Value of the month: Care*

Let us be concerned for one another, to help one another to show love and to do good.

Hebrews 10:24
