DEAR PARENTS/CARERS:

Learning this week:

Though engrossed in writing narratives to entertain this week, we have also been learning about how to convert measures for length and the importance of mechanisms such as gears, levers and pulleys in science. These are devices that make work easier; the QR code on the right will provide an activity for children to do over the weekend.

Eco Fashion Show:

All designs need to be handed in to class teachers by Friday 8th July, so please get creative so you can have exciting entries to submit. Vouchers to be won for impressive pieces. Year 5, you can do it!

Scan this QR code and follow the instructions to make moving gears. Do this safely, and enjoy!

Well done to all Year 5 parents and carers who attended the transition meeting in school last evening – 30/06/2022. This will hopefully help you to decide on which secondary school to send your child to in September 2023. Remember to contact the school office at: office@theminsterjuniorscroydon.co.uk to

request the slides that we went through with parents.

Kudos to the following children, who won gold medals in the recently-concluded Croydon Athletics Finals at the Croydon Arena: Olivia in Cormorants – in 75m sprint, and Isaac – in long jump. Both children are in Cormorants, and in fact, Olivia also won a second gold medal in the girls' relay. Victoria G, also from Cormorants, won a gold medal in her long jump finals event. Today, they are off with Mr Davies to our M.A.T sports day at St. Matthews CofE School in Redhill, where they will participate in events with other children whose schools are also a part of our Diocesan family.

HAVE A GREAT WEEKEND, EVERYONE! Mrs Fernandes, Mrs Simpson-Wright, Mr Gibbons, Mr Roberts, Mr Francis
