Dear Parents/Carers,

We are very proud to be offering you an opportunity to come to our maths workshop run by the dedicated team from John Ruskin and East Surrey Colleges as part of the 'Multiply' programme. Multiply is a government funded programme to help adults improve their numeracy skills.

This event is a taster session enabling you to explore developing your numeracy skills at all levels from supporting your children with numeracy with greater confidence to understanding how numeracy can help you with cost of living challenges and managing your own finances.

This event will be held on Wednesday 8th February 2023. It will start at 9 am and finish at 11 am. On this occasion, we are able to offer a creche to look after your little ones so that you can enjoy the event in peace.

Numbers are limited and creche spaces will be allocated on a 'first come, first served' basis.

Please email Mrs Cornell at office@minsterinfants.co.uk to book your place on this event.

Put Multiply in the subject heading.

To book a place in the creche please ask for this and include the full name and age of your child who needs the creche.

Yours sincerely,

Mrs C Green

Head of School
