

Dear parents and carers,

Welcome back to the Summer Term! We hope you all had a wonderful Easter break.

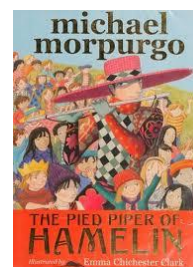

Maths

We have started on our new Maths topic 'Mass and Capacity'. This week, we have specifically focused on learning about **mass**. We revised that mass can be measured in grams (g) and kilograms (kg). We also practised reading the mass of various objects placed on a scale.

English

For English, we have introduced the children to our new book 'The Pied Piper of Hamelin'. We highlighted that this story is a traditional tale which has been passed down for generations! 'Rats' is a key figure in this story- therefore had the chance to explore and produced some wonderful work to describe the appearance and movement of these creatures.

Try to read some various fables or traditional tales at home! Choose your favourite one and write a review of it to recommended to others!

PE

This half term, the children will be taking part in **rounders** and **basketball**. Just a reminder that the PE days have changed for Kingfishers and Moorhens. Please ensure that your child wears the correct PE kit- white t-shirt with dark blue/ black bottoms!

- Tuesday: Curlews and Kingfishers
- Wednesday: Moorhens

Have a good weekend! **Miss Hewitt, Miss Selvam, Miss Yang**

Let us be concerned for one another, to help one another to show love and to do good.
