

YEAR 4

Friday 26th April 2024

Dear Parents and Carers,

English

This week, in English, in line with our current book- 'Shackleton's Journey', Year 4 imagined that they were newspaper reporters and wrote an article on Shackleton's Journey. They considered captivating headlines and subheadings, before carefully selecting key information to place in each section of the newspaper report.

Maths

In Maths this week, Year 4 have started their new topic of 'Money', building on their previous knowledge of decimals and place value. Can your child tell you how many pennies are in a pound? How would you write 505p in pounds?

Project (Topic)

In project this week, Year 4 have started delving more into their current project of Ancient Civilisations. They have learnt about the origins and inventions of Ancient Civilisations. Can your child tell you what any of these are?

Reminders

Please continue to support your children's learning of their times tables as the Year 4 Multiplication Check will commence in May/June. It would be wonderful if you could practice with them on the following website to allow them to get used to the timings.
