

Dear parents and carers,

Well done to Moorhens for delivering a wonderful class worship this week!

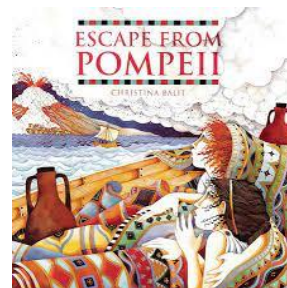

Maths

This week, we have been completed our learning of **fractions** and we have now moved onto learning about **money**! We have looked at how to convert pounds and pence. Next week, we will be learning how to add and subtract money.

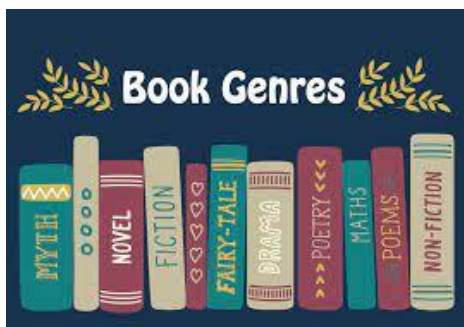

English

We have started our new book, **Escape from Pompeii** by Christina Balit. It is a historical fiction based on the eruption of Mount Vesuvius. Next week, we will be planning to write a setting description to describe the eruption using a variety of noun phrases.

Teaching of Reading

This week, we have been exploring different genres of books. We looked through the wide range of books in our book corner and organised these based on their type of genres. Can you ask your child if they can tell you their favourite genre of book and why this may be their favourite?
