- 2.2. CCTV warning signs will be clearly and prominently placed in appropriate locations in and around the school site.
- 2.3. Signs will contain details of the purpose for using CCTV (see Appendix A).
- 2.4. In areas where CCTV is used, the school will ensure that there are prominent signs placed at both the entrance of the CCTV zone and within the controlled area.
- 2.5. The planning and design has endeavoured to ensure that the system will give maximum effectiveness and efficiency, but it is not possible to guarantee that the system will cover or detect every single incident taking place in the areas of coverage.
