

MOLEY
ROBOTICS

B AiR

Model : MRCA-BA001

Note: Drawings for illustrative purposes only

Construction type and design	
Robotic System	Moley Robotics Cooking Assistant
Integrated Appliances	
	Induction Hob with downdraft extractor High-performance blender
User Interface	
	Samsung Galaxy Tab S10 Plus
Materials & Finishes	
Natural Wood Veneer Natural Stone Fenix Marble Selection	Matt / Lacquered Panels Optional Finish Areas Matt / Lacquered Panels Different Options Available
Operating modes	
Robotic Mode	Fully autonomous cooking via programmable recipes
Manual Mode	User-led cooking using integrated appliances
Cleaning Mode	Configures the robot and guides the user for cleaning
User convenience	
Recipe Collection	50+ professionally developed dishes
Cooking Abilities	
	Frying Steaming Blending Stirring Boiling Mixing
Efficiency & Performance	
Up to 10 portions	
6.85kW power consumption (max)	
Dishwasher safe containers and utensils	
Power & Connectivity	
Mains power, 220V Ethernet Wi-Fi Bluetooth	
Safety Features	
Collaborative Robotic System	
Integrated Emergency Stop button	
Optional Vertically Scanning Safety Radar	
Technical data	
Height (<i>starting from</i>)	171.85 cm
Width (<i>starting from</i>)	120.00 cm
Depth (<i>starting from</i>)	75.10 cm
Worktop height (<i>starting from</i>)	904 mm
Weight (est.)	210 kg est.
