# WE ARE MORELAND

Moreland, based out of Innsbruck, Austria, emerged quietly, swiftly and powerfully onto the scene in 2020.

Following a major setback in the music industry, Dwight (Sax and Vocals) teamed up with Aaron (Guitar) in the early part of 2020 to once again find a way to sing and tell soul music his way. The two made noise around the local scene in Innsbruck, fusing Dwight's Atlanta, GA soul heritage with Aaron's emotional guitar playing. The two were shortly thereafter joined by Alex (Bass Guitar), Steve (Drums) and Pete (Guitar) to complete Moreland.

Within 6 months they were already being invited to entertain audiences at major European music festivals such as the New Orleans Festival and Kufstein Unlimited. Even announcers at their performances acknowledged that it was magical and extraordinary for these guys to have come so far in such a short time.

It's been 1 year and Moreland has already completed its debut album. Dwight's very unique religious upbringing and a life-changing predicament associated with his exit from it has truly inspired many of the penned lyrics for Moreland's work.

But, let's be clear - the Moreland story is not a sad and somber one. It's a story of Fun, Emotion, and most of all LOVE.
