Dear Aaron!

After some more wonderful days in South Tyrol hiking, we are now back in Munich and have settled your invoice! A thousand thanks for your significant contribution, our guests, parents, and of course, we were just thrilled! Thank goodness it worked out with the rooftop terrace! We still have the drummer's hat; we will simply send it to you by post :) All the best!

Dear Aaron,

sorry that I am only getting back to you today. Once again, a big thank you for the great performance. Super professional, how you adapted to the situation (and that with a bit of bad). I hope that I can really enjoy a "real" concert once and wish you a lot of fun. Feel free to use us as a reference anytime, and I will also gladly pass it on.

Best regards,
Klaus

Dear. Mr. Brandner
I hope you are doing well.
Today, I would like to inquire about New Year's Eve 2024.
We were really impressed with the Moreland Band and wanted to ask if they are available on December 31, 2024.
We would also be interested in a larger lineup with 5 or 6 musicians.
We would be very pleased to receive an optional offer and are always available for any further questions or comments.

We would love to make your event super
special with our music!
