

# Mosterton Informal Volunteer Group

Would you be interested in being part of an informal group of Volunteers in Mosterton to initially be involved in general maintenance and tidiness of the public areas of the Village?

My idea is to build on the excellent work already being done here by village volunteers, who off their own back, are already doing a lot of work making Mosterton such a lovely village to live in. I hope to create a social, enjoyable group, meeting for just two hours, 10am to midday, on a Tuesday morning to undertake work for the benefit of the Village.

Depending on success and numbers, there are many things that such a group could achieve, and therefore I ask anyone interested to join me at an initial meeting.

## First Meeting - Tuesday 31st January 2023

### 10am at The Village Hall

Support and encouragement are so important to such an idea, so even if you are unable to physically contribute please join us anyway for social support.

If you are interested but unable to attend on the 31st January, please do contact me.

Jamie Ayers

(just a Villager, willing to coordinate the group)
