## Experience

**Sep 2022 -**

*Remote assistant project manager*

In the meantime, I'm doing a remote internship as an assistant project manager at Elegance Auto Service, an auto maintenance company in Dubai, UAE.

**Feb 2022 - Aug 2022**

*Intern web developer*

During a 6-months internship at an online marketing company called *Krachtig Online* (krachtigonline.be) as a web developer/project manager, I developed a few websites using WordPress and Angular and gained some experience in SEO and e-commerce as well as obtaining a lot of experience in the field of project management due to being 100% in charge of the project Knowing Metaverse.

**Jul 2014 - Nov 2015**

*Manager secretary*

For Elegance Auto Service in Dubai, UAE, I was the manager secretary where I managed all the administrative support and optimized workflow procedures, and tasks in the company.
