

# FELLOWSHIP DEVELOPMENT REPORT

Summer EDM, Zurich 2019

# What we actually do ?

---

## **FDC coordinates:**

- Task Team requests (Planning/Budgeting/Follow-up)
- Learning Days (Planning/Funding/Program)
- ZOOM Meetings (Regional/Interzonal/Workshops)

## **FDC suggests:**

- Task Team Members - primarily delegates - based on:
- geographically close to the task (if possible)
- availability - skills to facilitate workshops

## **FDC plans/facilitates:**

- Workshop at EDM and for local fellowship (if there is a request)

**FDC consults** SC members at monthly SC ZOOM Meeting (Report)

# ”Positivies of ESL 2019”

---

- Central europe, cheap to fund members to the event.
- Many new in recovery and hungry for service.
- Great relationship started with the venue.
- Local fellowship gained from it a lot.
- Very good athmosphere of recovery in the event.
- The help of vice treasure of EDM at the event and other experienced

servants

# ”Negatives/Improvement of ESL 2019”

---

- Only one local member who was doing almost everything.
- The cafe/merchandise did make 334 euros loss at the event.
- language issues with the hostel, thanks to the locals everything went well in the end.
- The cost of office stuff was high (mics, projektor, papper etc.) Almost 1500 euros.
- It is essential to have designated treasure for ESL weekends
- Keep money for accommodation payments separate to registration cash.
