Topic: European Convention 2004  
From: RSK\_NADK (RSK Denmark)

15<sup>th</sup> of February, 2003

RSK Denmark presented in September 2002 a proposal to host the ECCNA Convention for the summer 2004 (Nr. 21). RSK Denmark would like to withdraw the above bid for the following reasons:

- 1) The bid was given without the full mandate from RSK Denmark.
- 2) On the regions meeting on the 8 of February, 2003 we have decided to concentrate our resources on an attempt to create unity in Denmark. We will therefore in the nearby future establish a committee consisting of members of both RSK Denmark (RSK NADK) and the Inland Denmark NA Region, with the sole purpose of solving the problems i NA DK.

We apologies for the troubles we may have caused in this matter.

We will still be at assistance, if EDM still wishes to hold the EDM wintermeeting in February, 2004 in Copenhagen.

On behalf of RSK NADK:

Yours sincerely

Gitte K.  
Chairman of RSK NADK
