"Duelling Pianos performed by Fun Pianos!"

Wednesday, October 20

8:30 – 9:30 **Self-Checkout**

Paige Jewell & Chase Thomason

Combat your staff struggles by allowing customers to check themselves out in your “convenience store” space. Placing a customer facing Self-Checkout kiosk inside stores has proven to increase throughput and reduce staffing requirements in order to process every customer in a timely manner.

Placement and implementation are highly important to ensure frequent usage and to maintain low shrink. Those topics will be discussed, as well as how the technology integrates with existing C-store POS systems in the market today.

10:00 - 2:00 Trade Show
