### ABOUT US

T3Systems is manufactured, distributed and owned by Tecna Display Ltd, based in London. We have

developed into one of the market leaders in the supply, design and manufacture of Modular Display Systems.

Winners of two  
Queens Award for  
Enterprise

7 years of ISO  
9001 Certification

# HYGIENE SCREENS

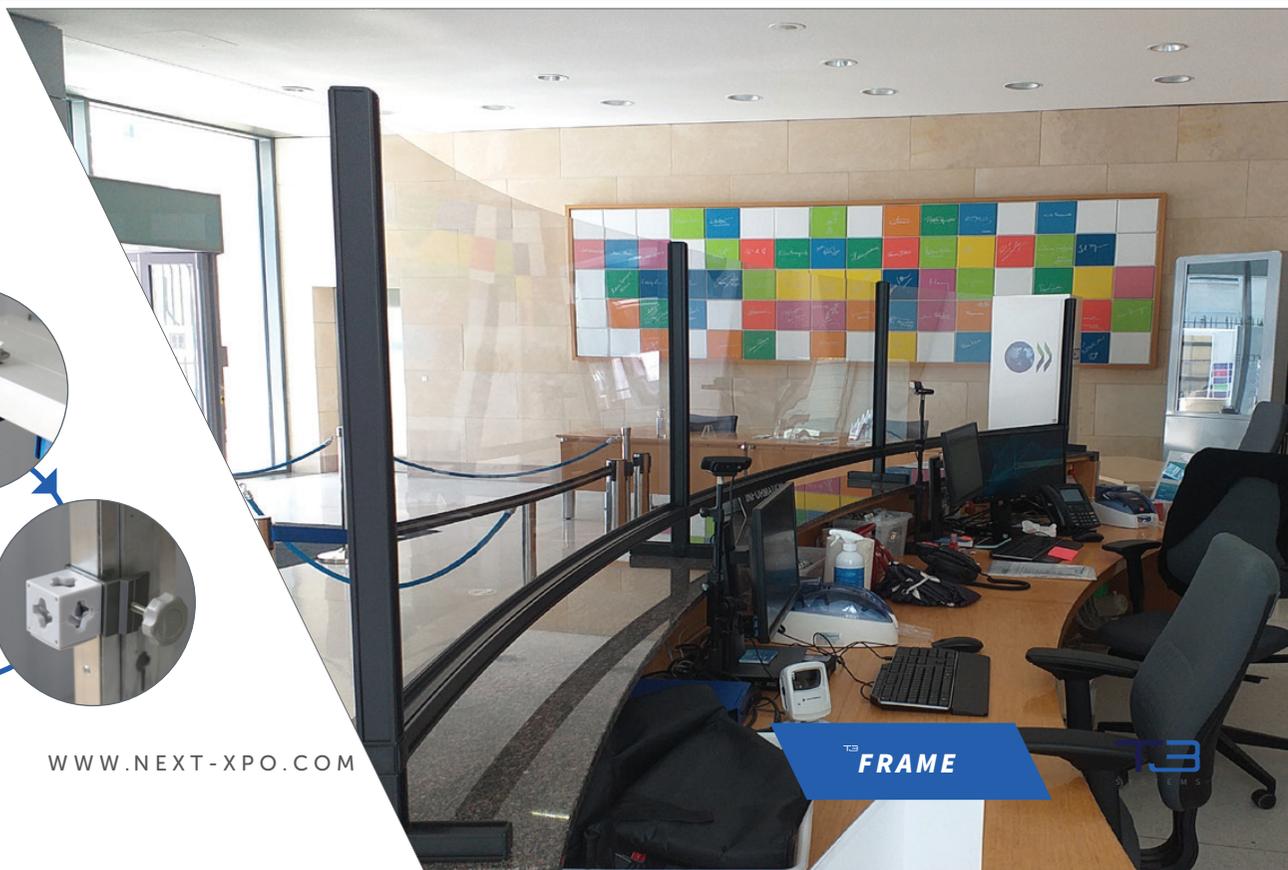

Mobile wash down screens are ideal for reception and information desks in public and private venues. Custom made to meet your specific design and aesthetic requirements; they effortlessly blend into surrounding environments, providing protection for staff and customers.

- Curved units available from 500ø to 12000ømm
- Acrylic panels can be removed with ease for cleaning
- Built by 1 person minimises infection risk

## KEY FEATURE

The simple twist, lock and connect functionality allows for the structures to be built in a matter of minutes.
