Season of Gifts

"You can give without loving, but you cannot love without giving."

This wonderful quote by Amy Carmichael summarizes one of the essentials of the Christmas season.

We at Spaas believe that a candle helps to create a great atmosphere when celebrating or being together with the ones you love. The Danish catch this philosophy perfectly in the word 'hygge'.

Therefore our new winter catalog brings you a wide variety of beautiful scented and unscented candles, to celebrate at the dinner table, to enjoy with friends or to give to the ones you cherish. For a candle does not only light your life but also that of others.
