

Neste Compressor 100

Lubricating oil for piston compressors

PERFORMANCE CLAIMS

DIN 51506 VDL

DESCRIPTION

Neste Compressor 100 is made of highest quality mineral base oils. It contains an effective ashless additive system against oxidation and corrosion.

SPECIAL FEATURES AND BENEFITS

- Good oxidation stability
- Ashless
- Extremely low deposit formation
- Good anti-corrosion properties

TYPICAL CHARACTERISTICS

Density kg/m ³ 15°C	882
Flash Point °C (COC)	268
Pour Point °C	-27
Viscosity index	102
Viscosity cSt/ 40 °C	100
Viscosity cSt/ 100 °C	11.4

APPLICATIONS

Neste Compressor 100 is recommended for air compressors and vacuum pumps. The product allows smooth operation even at high compressed air temperatures and prevent carbon deposit forming on pressure valves.
