

Section 75 easy read update – September 2021

	What Are We Planning To Do?
	Norfolk County Council asked for your views on putting in place a new agreement with our partners.
	This agreement is called a “ Section 75 Partnership Agreement ”. It is an extension of the one we made between 2010-2012.
	<p>Norfolk County Council plans to put in place an agreement with NHS Norfolk and Waveney Clinical Commissioning Group and the following parties who delivery services for people aged over 18 with learning disabilities and or autism:</p> <p>Norfolk Community Health and Care NHS Trust (NCH&C), who delivery:</p> <ul style="list-style-type: none"> • adult autism assessments, • community learning disability teams • short breaks/respite for complex needs. <p>Hertfordshire Partnership University NHS Foundation Trust (HPFT) who delivery:</p> <ul style="list-style-type: none"> • community psychiatry

	<p>Why Are We Doing This?</p> <p>Section 75 Agreements are designed to improve services for you by allowing NHS organisations and local authorities to work together.</p>
	<p>This agreement will allow us to keep delivering supportive services for people with learning disabilities and/or autism.</p>
	<p>We Reached Out To People:</p>
	<p>Asking learning disability and autism networks to tell people about our plans.</p>
	<p>Provided easy read information about what we are planning to do.</p>
	<p>Provided an online questionnaire to complete.</p>
	<p>Posted questionnaires on requested.</p>

	<p>Offered to talk to groups about our plans.</p>
	<p>Who Responded to the Questionnaire?</p>
	<p>In responding people could select all that applied.</p>
	<ul style="list-style-type: none"> • 10% of people use/used learning disability and/or autism services.
	<ul style="list-style-type: none"> • 55% of people were parent or carers of a person who use/used learning disability and/or autism specialist services.
	<ul style="list-style-type: none"> • 23% of people work/worked in learning disability and/or autism services.
	<ul style="list-style-type: none"> • 32% of people did not meet any of the criteria above.

	What Services Did People Who Responded Use?
	In responding people could select all that applied
	<ul style="list-style-type: none"> 5% accessed an adult autism assessment
	<ul style="list-style-type: none"> 32% accessed support and treatment from the community learning disability teams.
	<ul style="list-style-type: none"> 10% accessed specialist psychiatry assessment and treatment services
	<ul style="list-style-type: none"> 5% accessed a short break at Mill Lodge
	<ul style="list-style-type: none"> 64% did not use any of the services listed.

	Survey Results
	Should Norfolk County Council work in partnership with NHS providers to deliver these services?
	95% of people said Yes
	0% of people said No
	5% of people were unsure
	People Who Responded Told Us They Want:
	health and social care professionals to obtain greater awareness and understanding of Autism.
	support for autistic adults, more support for children and adults with special needs and support for parents and carers.

	<p>more jointed up working between the services.</p>
	<p>What Happens Next?</p>
	<p>A report with your feedback will go to Norfolk County Council Cabinet, to make sure that the proposal is a good one.</p>
	<p>We would like to thank you for your help.</p>
