

How to get to the Vernon Castle Room

The Autism Norfolk Forum is being held in the Vernon Castle Room at the Millennium Library. The Millennium Library is inside The Forum in Norwich.

When you enter The Forum, you will see the Millennium Library. Go inside and look for the stairs.

Go up both flights of stairs to the 2nd floor.

You will see a set of glass doors. Go through these, turn left and walk all the way to the end of the room.

At the end of the room there are a set of double doors on the right. This is the Vernon Castle Room.
