

**NORFOLK
AUTISM
PARTNERSHIP**

Diagnosis and Support Working Group

Easy Read Information

Are you an autistic young person, adult or a parent/carer of an autistic person?

If **YES**, we need you to join our Diagnosis and Support Working Group.

You can meet new people who are also interested in changing services for autistic people.

The diagnosis working group needs your help to:

Tell us what needs to be on an appointment letter.

Tell us what support groups people want to use that are different to what is already out there.

Tell us what waiting areas should look like.

The group meets **once a month**, for an **hour and a half**.

We currently meet on a system called **Microsoft Teams**.

In the future, we hope to offer a mix of face-to-face and virtual meetings.

If you need extra support we can help. Please tell us what you need!

We value your help and will thank you by giving you some money, which will not be taxed or affect your benefits.

Your experience of being a member of the group may help you gain more confidence and skills for working with others.

CONTACT US

To have a chat about this opportunity, email Adrian at autism@norfolk.gov.uk with your name, contact details and best time to contact you.
