Hijaz Branch

Nozha Language Schools is looking forward to welcoming its new and returning students. We hope your summer vacation has offered you happiness, delight, fruitfulness, and opportunities and has been filled with all good and useful things!

It is a true privilege to be part of a community where parents, teachers, and students care for each other and strive to build positive relationships that support academic success and social growth.

We are excited to begin our 37th year with an abundance of excitement, as we are busy preparing the school and the staff for the imminent return of students to campus. We have calendared a full year of activities, field trips, sports competitions, and celebrations, all of this coincides with the new upgrades in the school facilities to meet your expectations and provide an integrated educational, entertaining, and safe environment.

In preparation for the upcoming school year, please keep this newsletter handy to re-check it if needed, and regularly check out our website; nozhaschools.com for important information & frequent news.

You must read carefully NLS handbook ([Click Here](#)) issued on our website, nozhaschools.com/, as it contains detailed data about school staff, policies and regulations, communication ways, and more info you have to know about.

You may also follow us on [Facebook](#) and our [Instagram](#) account to see what our students are up to throughout the year.

Important Notes That Must be Taken into Consideration

- Share the below protocols with your children.
- Support the schools' decisions in front of your children, so that they feel positive about the return to school albeit under unusual circumstances.
- All students have to arrive on the first day with their parents, as no morning bus service will be operated on the first day for bus subscribers, and it will operate at the dismissal of the first day.
- Please note that it is completely and definitively prohibited for all students to bring mobile phones to school; this is in implementation of the Ministerial Decision issued to schools.

Educational Process for the Academic Year 2023-2024

Our plan for the new academic year will basically depend on a blended learning process and the “Flipped Classroom” approach, based on “Bloom’s Classification Models” to boost students’ thinking and perception skills. This will be depending on recorded videos prepared and presented by our distinguished teachers, which will be uploaded on our school platform – **COLNN**; to be discussed in class with the students to reach the required thinking and perception skills.

When parents' and students' accounts are activated and in case of facing any troubles, please contact LMS customer service - (see contacts index mentioned at the end of this newsletter).

Notes:

Current and newcomers parents will receive a message on their phones concerning the **COLNN** platform and the know-how of using it as well as sending a video for more clarification to illustrate its usage. In addition, a link that allows you to get the **NEW** username and the password for the student's and parent's accounts.
