### **Summer Session 2018 in Fårö**

Welcome to Fårö! The summer session of 2018 will take place in Fårö, Sweden, from July 29th until August 5th. Situated in the Baltic sea just north of Gotland, Fårö island displays an idyllic landscape of white sand beaches and limestone formations. [Fårö Kursgård](#), a WWII camp rebuilt into a modern conference center, will be our venue.

For more information about the venue, excursions, cultural program, keynotes and other practical concerns, please visit the site devoted to the summer session:

<https://summersession2018.nsuweb.org> The site will be updated continually from now on until the summer session starts in July.

### **Call for papers/proposals from our study circles**

The calls for papers or proposals from our study circles are out. Deadline to submit an application varies amongst the circles, but typically ranges from 1-15 May. Read more about the calls and the study circles here: <https://nordic.university/study-circles/>. Contact the coordinators of the respective study circles if you have any questions regarding their programs.

### **Application and Registration Process**

Please note that the application process has two steps: After choosing a study circle, submit an application to the coordinators to gain acceptance to participate, either with or without paper. For a list of study circles and their call for papers, see:

<https://nordic.university/study-circles/>.

Only after receiving confirmation from the coordinators of your selected study circle, you may register and pay. Deadline to register is 1st of June; however, in order to secure your preferred accommodation, we recommend registering early.

Cancellations prior to 1st of June will be reimbursed, except for an administrative fee of 27 Euro (250 SEK). Cancellations after the 1st of June will not be refunded at all. Full terms and conditions can be found on the payment site. We advise all participants to take a travel insurance in case of cancellations.

For registration and more info visit: <https://registration.nsuweb.org/>.

## **Parents with children**

We welcome families at the Summer Session. Just like previous years, there will be a separate circle for children between 3 and 15 years. In the children's circle, we offer a variety of activities for children and youth, running parallel to the other study circles. See also: <https://nordic.university/study-circles/childrenscircle/>.

## **Call for youth leaders and a mentor for the children's circle**

We are looking for several youth leaders to lead the children's circle and one person to mentor the youth leaders. The application period is from 1st to 15th of April. For more information about the tasks and where to submit the application, see: <https://support.nsuweb.org/children-leader/>.

## **Correction about scholarships and grants**

The last newsletter contained an unfortunate error regarding the deadline to apply for a scholarship. The first application period ran from March 15th to April 1st. A second application cycle might open if there are still spots to fill. The application process is described here: <https://support.nsuweb.org/arrkom/scholarship-and-grant-program/>.
