INDEPENDENCE

Going to college is different to being at school. If you're looking for more freedom and a greater sense of independence, somewhere that will treat you like a young adult but still help you when you need it, this is the place for you.

OUR FACILITIES

The school is equipped with the right and modern equipment that make learning easy and fun. We do more of practical teaching than theory as vision is not just to produce to just pass examinations but to graduates students who are creative, innovative, proficient and professionals in the different areas of trades that the institution offers.

OUR ASSESSMENT

Assessment is an integral part of the teaching and learning process and is a tool which aids our planning for learning. We track student's achievement, attitude and progress closely. Students are encouraged to work with teachers to identify where they are with their learning, what their targets are, and what steps they need to take in order to achieve their targets. We set medium and short term targets with the students which personalizes their learning so that they can achieve their full potential. The NABTEB examinations are conducted biannually in **May/June** and **November/December** respectively.

SPECIAL EDUCATIONAL NEEDS

In order to provide all children in our care with full access to the National Curriculum and the wider curriculum, we will ensure that:

- Student's special educational needs, whether through learning difficulties or exceptional ability, are identified, assessed and provided for.
- Parents are fully involved, at all stages, regarding provision for their child's special needs.

Arrangements for adults and children with special needs

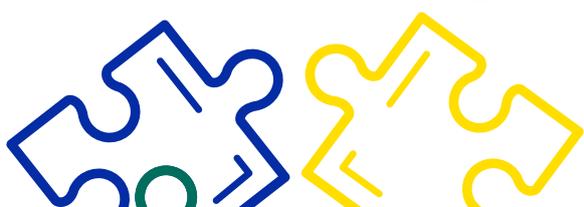

At Obiye's vocational School we believe every person should be treated equally and with respect. As long as this school is the best place to meet the needs of an individual child, he/she will be admitted and every care taken to ensure appropriate access to the full curriculum. As far as possible the needs of every child and adult will be catered for.

Students safety and wellbeing

We have specialist Wellbeing Advisors and Counselors who can help our students with challenges. Like all our staff, they'll treat you as an individual, not a number. Student safety and wellbeing is our top priority and our safeguarding teams are based in Student Services at both campuses. If you are concerned for yourself or a friend you can speak to any member of staff in the first instance because all staff are trained to a high level.

Progress Coach

You'll have your own Progress Coach to guide you through your studies. You'll meet together regularly to discuss progress, agree targets, and make sure you're getting the support you need.
