

Dear students!

Due to the new regulations of the Federal Ministry of science, research and economy we are forced to limit our canteen-menu vouchers (aka. Mensabons) and restrict it to students that meet the Federal Ministry's criteria for social need.

In order to receive those vouchers the students must prove their financial need by bringing a copy of one of the following documents depending on the reason for their social need. The verification of the stated information will be checked randomly. False pretense is considered a legal offense!
