

Connect | Discover | Innovate

Wednesday 4th October 2023

Bonus Arena, Hull, UK

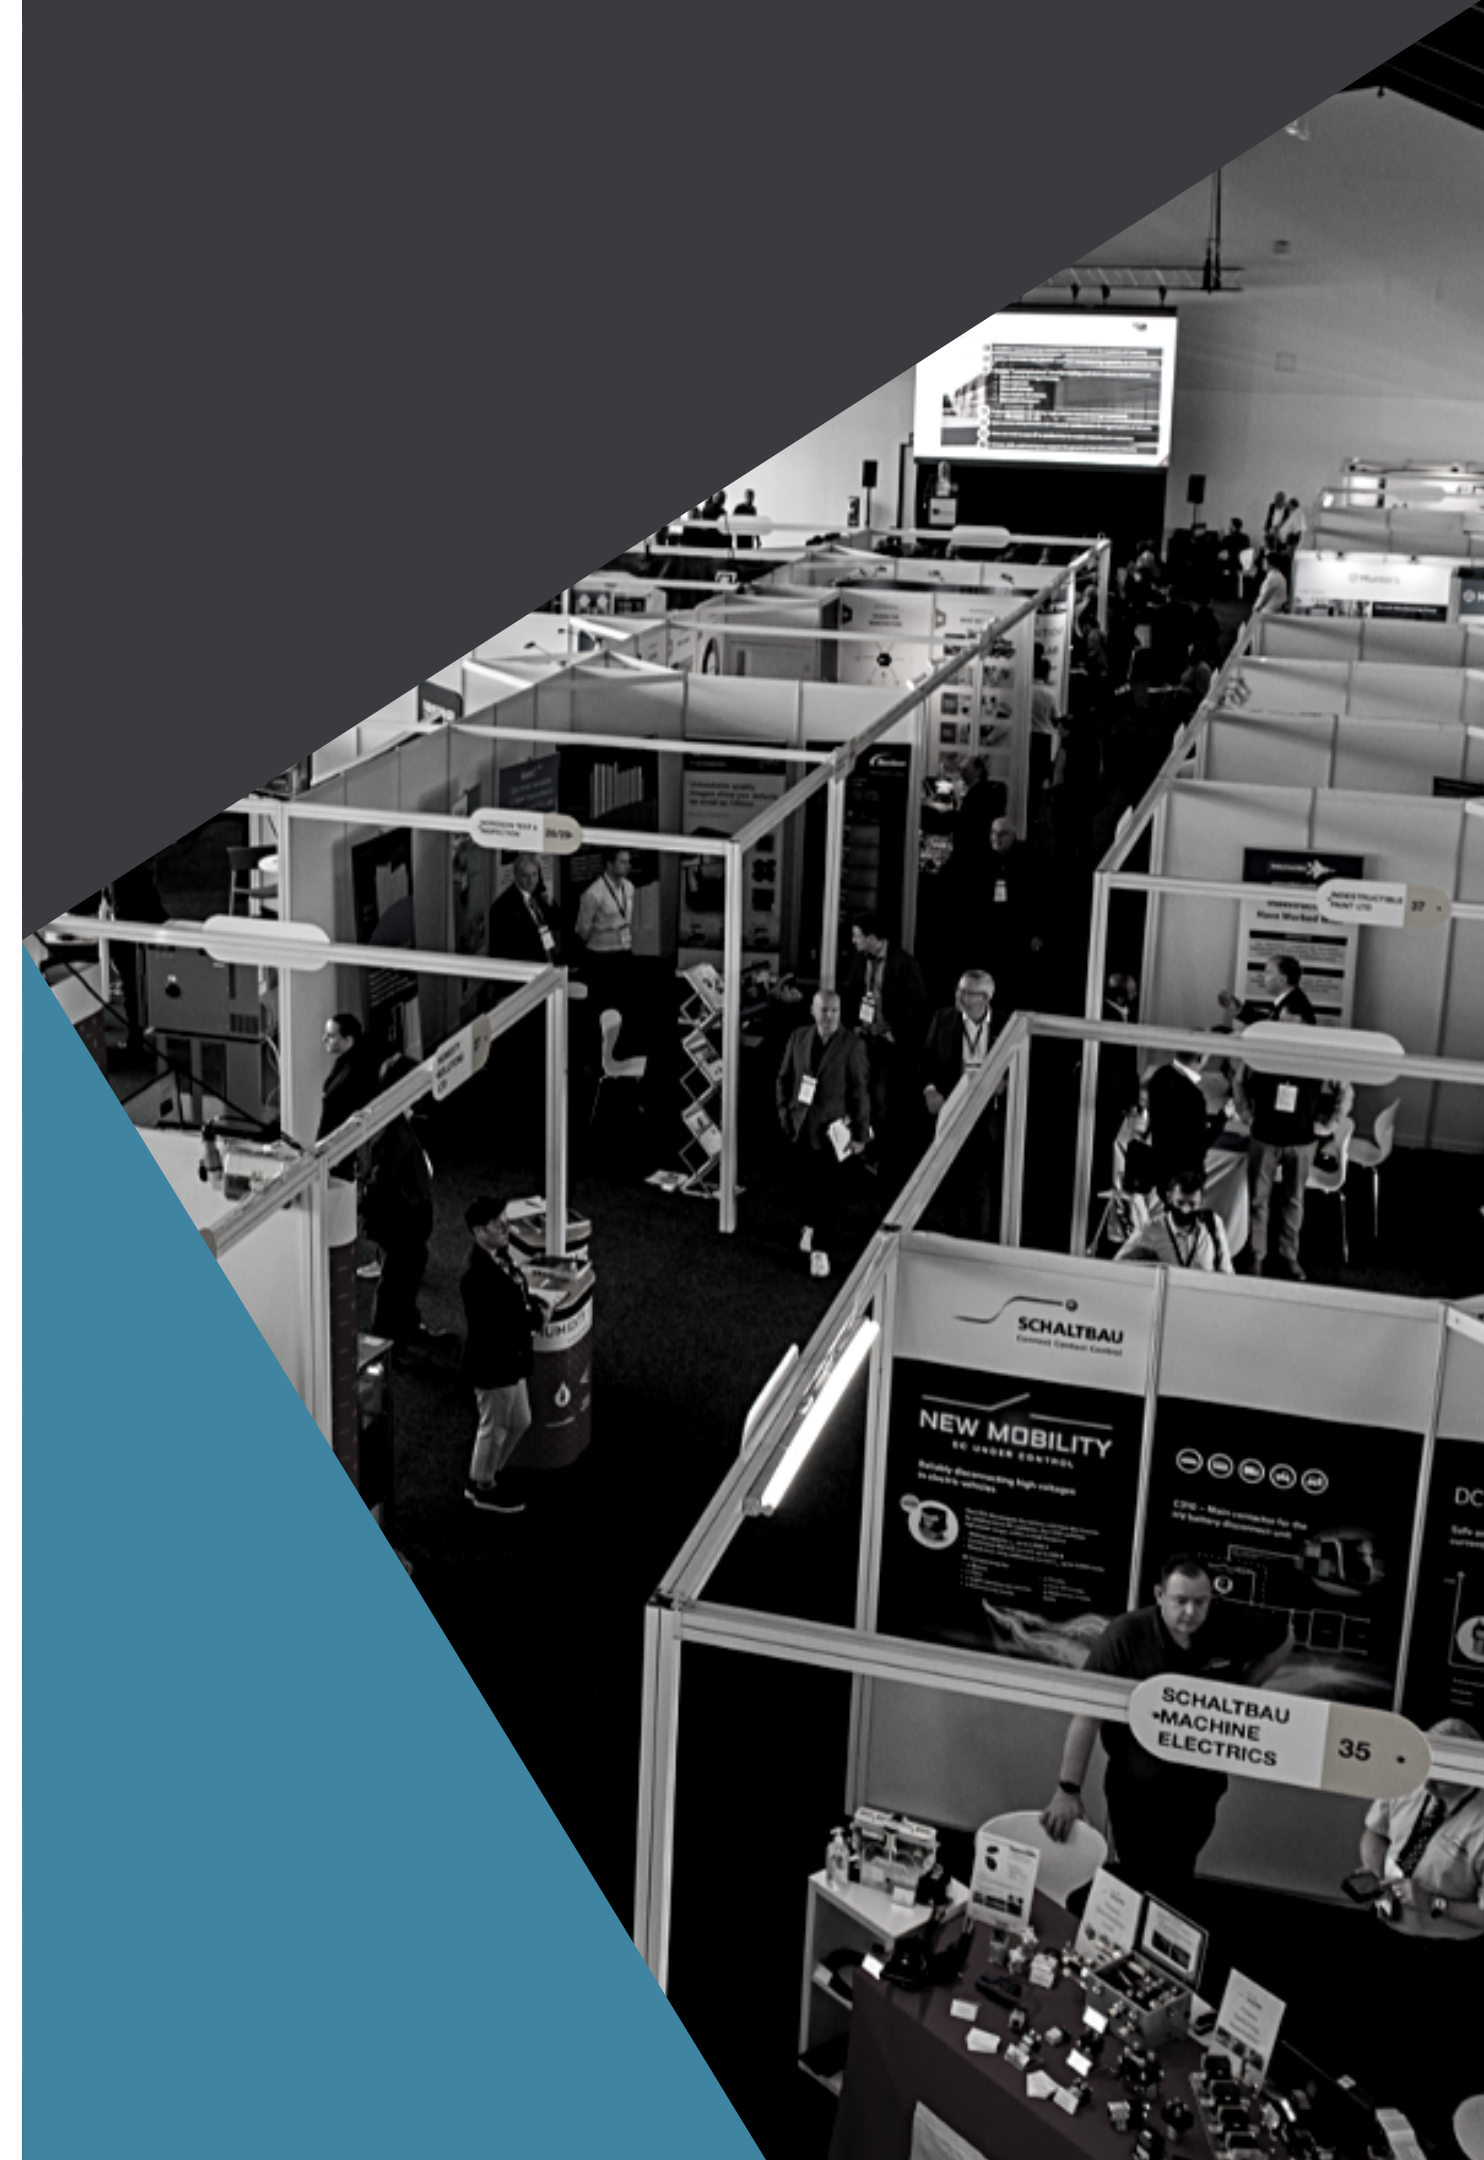

The UK government has set a target to achieve up to 50 GW of operating offshore wind capacity by 2030. As a result, the Offshore Wind Operations & Maintenance sector is set to grow exponentially over the coming decade.

More than just an event...

Covering innovations across operations, maintenance, support and R&D, the Offshore Wind O&M Expo will bring together hundreds of industry buyers, specialists and suppliers to the Bonus Arena, Hull, the heart of the Offshore Wind sector, on the 4th October 2023.

8 Hours of Face To face Opportunities:

From corporate buyers, suppliers and industry specialists, this event is where the industry meets year after year, to connect, learn and discover the latest developments and products

Reasons to Exhibit

75% of audience are decision makers

Over 5,000 senior decision makers and users from across the industry who share a professional interest in the technology and science of battery technology

8 hours of face-face business opportunities

Held at the Bonus Arena in the heart of Hull, the venue accommodates great conversations and introductions

30,000 industry specialists are told all about you!

Driven by a high-profile, proactive, marketing campaign and media campaign, weekly communications about the event will attract a significant number of visitors and the highest calibre attendees in the industry.

The background of the slide features a series of wind turbine silhouettes against a gradient sky transitioning from a deep blue at the top to a warm orange and yellow at the bottom, suggesting a sunset or sunrise. The turbines are arranged in a receding line from the foreground to the background, creating a sense of depth.
