## EXPERIENCE

### **FUN LEARNING GAMES ApS, Holbæk, Danmark — Design Manager**

08/2016 - 10/2018

As design manager, I worked on the look of the FlickBall brand. A jack of the multimedia trade. I did everything from print materials, product development, package design, video production and web design. I was the primary web administrator for flickball.dk/flickball.de/flickball.co.uk. The go to guy for solving general technical issues in our office.

### **Fun Learning Games ApS, Slagelse —Freelance graphic work**

03/2016 - 08/2016

Freelance projects for Fun learning games. Development of products, package design, emblems and marketing materials.
