

Hi,

Pathfinders Neuromuscular Alliance will be holding three 3-day online training conferences for PA's in May 2022. These conferences will feature educational videos covering a variety of topics from supporting individuals with mental health to swallowing and nutrition, along with live activities, discussions, and quizzes led by individuals with muscle-weakening conditions.

I would like my PAs to attend, and Pathfinders will reimburse your wages after completing the full 3-day conference.

Please go to this website and enrol as soon as possible;

<https://www.pathfindersalliance.org.uk/training-for-pas-on-neuromuscular-conditions/>

Many thanks, and see you soon.
