

# CRF manual

## Step 1: logging in to the CRF.

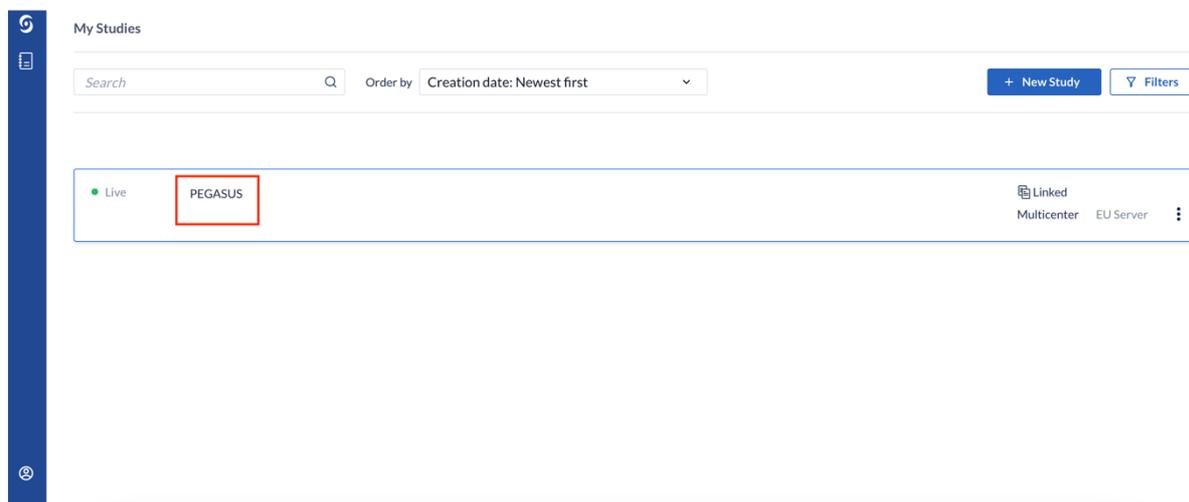

Log in to the CRF by using the link below. This link is also on the Pegasus website. If you can't click on the link below, just copy and paste it into your browser.

<https://data.castoredc.com>

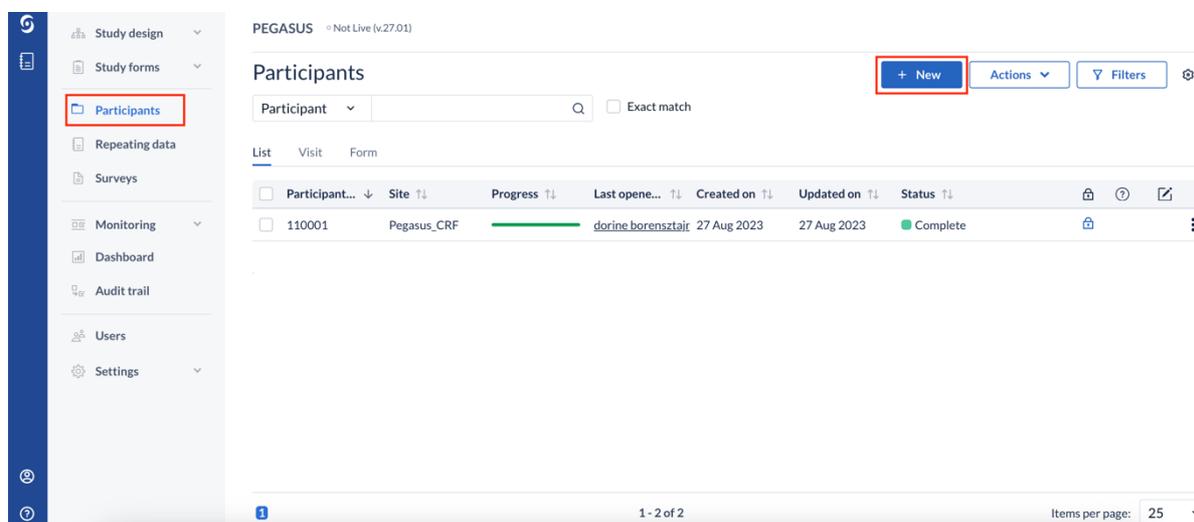

You will have received an email granting you access to the CRF. With this e-mail you can register as a user and create your own password.

## Step 2: navigating the CRF.

On the dashboard, you will see the PEGASUS study. Click on it to enter the CRF.

Click on "participants" and then "new".

Click “create” in the next screen. Don’t enter an e-mail address.

### Step 3: Entering data into the CRF.

Next you will see the CRF.

Once you have answered a question, the radio button will turn from orange to green. After you finish filling in a section, the section gets a green radio button and the text “completed” appears on the left. You can then click the “next” button to go to the next section. Answers are saved automatically, there is no “save” button.

If you have any questions regarding the CRF, please send an e-mail to [pegasus@pegasus-study.eu](mailto:pegasus@pegasus-study.eu)
