

WHAT OUR CLIENTS SAY

"Very professional. Very thorough. Outstanding cleaning service provided. Would highly recommend."

Neil - Everyday Loan Manager

"We have been using Pradus Facilities Management for a considerable amount of time within the college. Due to Covid we have had to implement a number of control measures around our cleaning and security procedures and Pradus have helped us do this with ease and confidence. The security officers that we use are exceptional, extremely polite and approachable, they create a calm environment within the college building whilst making us all feel extremely safe and secure. The cleaning team deliver outstanding results within the building, ensuring that all areas are cleaned throughout, it is evident that they are highly trained in their areas. The team are so polite and friendly and have really fitted in to our college community, it is clearly obvious that they enjoy their work, they are hardworking and conscientious and again a credit to Pradus. I would have no hesitation in recommending Pradus Facilities to another organisation, thank you Pradus you make my job so much easier."
