

Law Enforcement Innovation & Synergies Workshop

The LEA Projects Cluster marks the first Cluster event of 2026 and will be held as an LEAs-only online meeting focused on operational exchange and peer discussion. The programme includes keynote contributions from DG CONNECT, the Estonian Police, and the Serbian Police Academy, alongside focused sessions on the IAMI and SafeHorizon projects. The sessions are designed to support open discussion and to reflect operational perspectives from LEAs on current challenges and practical applicability.
