

Dear Madam, Sir,

As a tradition, the final year Social and Military Sciences students of the Royal Military Academy raise money to benefit a good cause. This year we, the 158th promotion SSMW, support the Cystic Fibrosis Association.

Why did we choose Cystic Fibrosis Association? In our education, sport is an important pillar. More so, we sport at least 5 hours a week to stay fit and pass our sports tests. Sport is also crucial for Cystic fibrosis patients to improve their quality of life. After consulting with the president of the association, we felt that we can make a difference for these people.

Our project was already a success during the first semester. For example, we organized a conference and sold (military) equipment, RMA merchandise, etc. We were also present with a booth at other activities within the RMA. In the second semester, we would like to go all in to raise even more money and for that, we need you! Below are the options we offer to our future sponsors. For donations from €40 we also provide a tax certificate. Other agreements such as sponsoring in kind are also possible in consultation.

€100	SUPPORTER	€175	BRONZE	€350	SILVER	€450	GOLD
	Tax certificate		Package Supporter		Package Bronze		Package Silver
	Logo on website		+		+		+
	Logo on social media		Logo on sports shirts		RMA merchandise		Invitation to events

What activities can you expect in the second semester? Our first major activity in the second half of the year is the organization of "Shooting Days" in cooperation with Dekaise. In addition, we are planning a car wash, a military obstacle course, an auction, ... We will end our academic year with a major sports activity in the spirit of our promotion.

Would you like to contribute to our project? Do you have any doubts? Do you want more information? Do not hesitate to contact us!

Thank you in advance,

Team Project SSMW
