Dear Sponsor,

Like every year, the final-year students of the Social and Military Sciences course at the Royal Military Academy raise money for charity. This initiative, known as Project SSMW, has been a steadfast tradition of our school, and this year, the 161st Promotion is proud to support Stop Alzheimer. A wide array of activities is organised throughout our entire final academic year in order to raise a nice final amount of money to help our good cause. To ensure the success of these activities and to raise the necessary funds, we are counting on your support.

We have designed five unique sponsorship packages, each offering unique benefits and opportunities for you to get involved. Every donation outside of the fixed formulas is of course also much appreciated. Most of them contain advertising at one of our events during the year. Our event line-up includes exciting activities such as a quiz, a festive Christmas market, exhilarating shooting days, and a series of thrilling sporting events.

Here you can find the different options we offer, should you decide to support our cause, we kindly request that you complete the enclosed form.

Thanks in advance,

The 161st promotion SSMW
