

7 Bedroom Villa in South of France with views to Monte Carlo and Corsica

Located in the heart of Cap Ferrat, this exceptional property spans 7,358 m² of lush gardens.

It is one of the best-positioned homes in Cap Ferrat, offering breathtaking views, ensuring ultimate tranquility and privacy.

The house features expansive terraces, a stunning swimming pool, a garage, and a staff apartment. The property includes an entrance, two living rooms with dining areas, a formal dining room, a fully equipped kitchen, seven bedrooms, seven bathrooms, a study, and a laundry room. Additionally, there is a guest villa with one bedroom, a garage with space for four cars, and eight additional parking spaces.

This incredible property offers both privacy and astonishing sea views. While no major renovation is needed, some refurbishment work, such as painting, may be required. The property is accessible from both the lower and upper land.
