# RANCEO

RANCEO is a brand with product categories such as flashlights, headlamps and industrial lighting.

The brand has been created through Scanlco's almost 30 years of experience in flashlights, headlamps and other industrial lighting.

Over the 30 years, we have built up a large network of contacts within lighting for the craftsman, so with our experience and good contacts, we work with the absolute best manufacturers on the market.

RANCEO definitely uses only the best components on the market.

## DESIGN AND QUALITY

We have designed, modified and developed the range we believe are the best lights and headlamps adapted to the craftsman.

We believe we have hit the spot!

## WARRANTY, SPARE PARTS AND SERVICE

### 8 YEARS GUARANTEE

We provide an 8-year warranty on manufacturing defects. This means a guarantee for technical faults and not for wear and tear, misuse and batteries.

### 10 YEARS SPARE GUARANTEE

If you can not get spare parts for your RANCEO product 10 years after your purchase, you will receive a similar product free of charge.

### DIRECT SERVICE

We provide all customers with Direct Service, so we shorten the process for questions about products and warranty cases.

Direct Service – We are here for you.

### ENVIRONMENT

Our packaging is 100% recyclable.

And we continue the development of our packaging in line with the latest environmental requirements that are constantly becoming required by the consumer.

### POS

We have developed some very special displays as well as marketing tools.
