Product title:

RANCEO I-EXTENSION - LED Strip Light - See Snake

Short product text:

I-extension cord piece for LED Strips. IP65 approved.

Flexible connectivity, extensions and combination solutions.

I-EXTENSION is an accessory for the See Snake series that makes it possible to make an I-extension on an LED Strip Light by cutting it over – without damaging the 230V LED Strip Light. Then insert the two pins into the copper wire on the LED Strip Light and the two connectors into the I-EXTENSION. The packaging includes two pins for I-EXTENSION.

I-EXTENSION is an accessory for the See Snake series that makes it possible to make an I-extension on an LED Strip Light by cutting it over – without damaging the 230V LED Strip Light.

Then insert the two pins into the copper wire on the LED Strip Light and the two connectors into the I-EXTENSION.

The packaging includes two pins for I-EXTENSION.

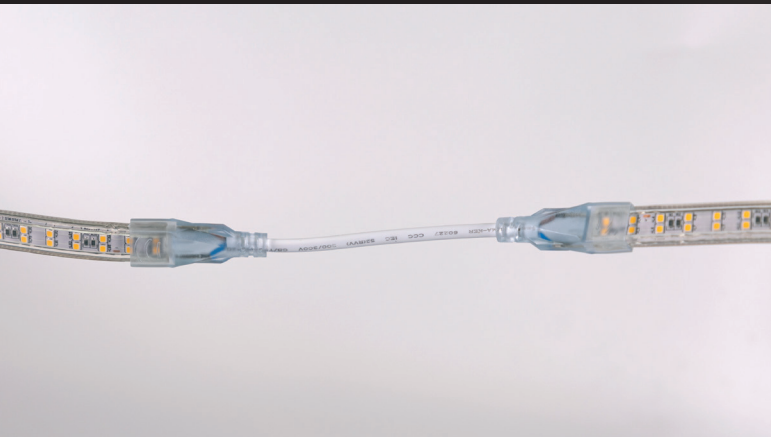

In general, if the See Snake LED Strip Light is to be lengthened or shortened, a transparent field is indicated on the LED Strip at each meter where it can be cut over. Thus, the See Snake can be extended straight out, corner connected or T connected, which means that the system can be adapted to each lighting need.

See Snake can be used as work lighting, orientation lights, safety lights and much more. Both for indoor and outdoor use.

General information about See Snake:

- LED Strip Light is connected directly to 230V
- Provides 1500 lumens per meters
- Color temperature: 4000 Kelvin
- IP65 approved
- Quick and easy installation.
- Parallel copper wire to each LED diode ensures that if one LED goes out, the rest of the LED Strip Light will remain lit so that the construction site can still retain the lighting and work can continue unhindered.
- The CLH series is wound on a robust drum that makes sure to withstand demanding tasks.
- The CL series is wrapped around a hard plastic roll.
- LED Strip Light – See Snake a powerful flexible rubber cable that is rolled up on a portable drum that makes it easy to work with, mount and store.
- Practical foot and robust rubber handle
- Flexible connectivity, extensions and combination solutions.
- See Snake LED Strip Lights can be extended, adjusted into corners or combined with two or three LED Strip Light. In addition, they can also be extended pieces to solve the need.

Quality construction site lighting from RANCEO
– When the surroundings lack light.

Art no. 9560

EAN no. 5710444956003

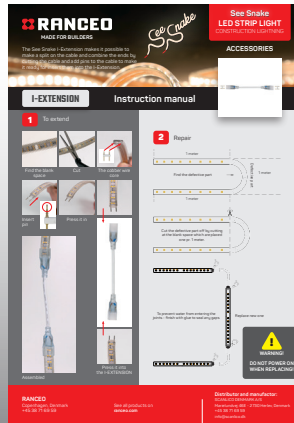

DB no. 2261373

Technical data - See Snake LED Strip Lights - In general

Voltage	230V- 50/60Hz
LED Color temperature	4000K
LED Spread	120°
LED Type	SMD2835
CRI	Ra80+
Lumen	1500 lm pr. meter
LED Spacing	180 LEDS/M
Wattage	12W/M
Operation Temp.	-20°C ~ +45°C
Storage. Temp	-10°C ~ +30°C
Roll Material	PVC
Power Factor	>0.95
Wire gauge	20 AWG
IP Class	IP65 - Indoor / Outdoor
Protection Class	Class II

Packaging information - Single packages

Packaging	Pose
Medfølger i posen	I-EXTENSION 2 pcs. PINS
Gross weight	000 g
Dimensions (W x H x D)	100 x 155 mm
Art no.	9560
EAN no.	5710444956003
