

RAYAH MARITIME
PROFILE

RAYAH MARITIME SURVEY SERVICES

RAYAH MARITIME SURVEY SERVICES FOREIGN TRADE LTD. CO.

ABOUT US

Established in Turkey by the Marine Engineer Mr. Radwan Yahya. The company has an extensive and growing team spread across Europe the Middle East main ports "Turkey, UAE, Egypt, Lebanon and few more". We have a well known name among the maritime shipping community since we have been representing some flags as deputy registrar in the Middle East.

Rayah delivers a comprehensive range of services including ships` registration, inspection, auditing, certification, classification & related technical surveys, and when appropriate, Rayah Maritime also provides consultancy services.

Rayah employs expert persons and participates its business with professional top-level organizations worldwide, thus bring benefits to the ship-owners, insurers, and flag states.

We have always been delivering high quality survey services either as independent surveyors with globally top level insurance companies or as Class / RO under the authority of various flags. Additionally, all our branches have separate departments for flag registration and seafarers` certification endorsements.

OUR VISION

To be the inspiration company operating globally that provides the complete range of ships` registration & survey services under one roof. To be the leading company locally for improving clients` performance towards the international standards & regulations relating to the safety of persons & ships and the marine environment protection.

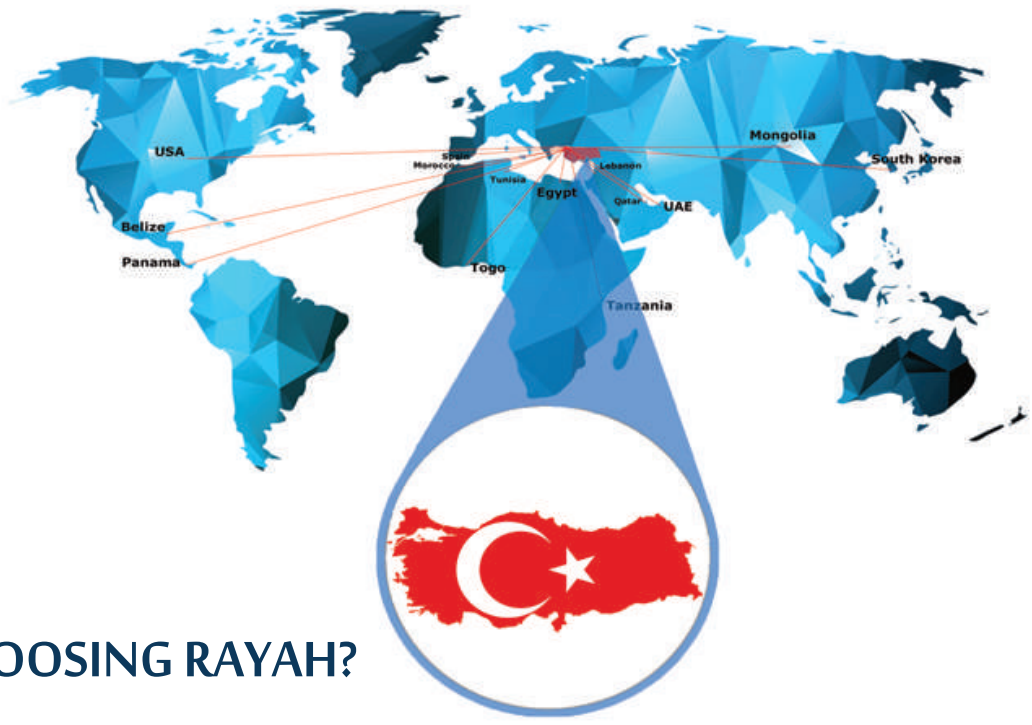

OUR MISSION

To deliver quality services that contributes to increase the number of ships in our company, thus providing competitive advantage and profitability for flag states and organizations which we represent. By building & delivering an exceptional expertise, we promote cultural values between the clients towards safer maritime industry & cleaner marine environment.

ISO 9001

Our company quality management system is ISO 9001 certified by Bureau Veritas (UKAS Accrediation). This has enableed us to set the route to satisfied customers. It also has increased the interested parties` satisfaction in our company such as (flag states, recognized organizations & insurers)

WHY CHOOSING RAYAH?

Firstly, Rayah represents several flag states the thing that brings multiple options to our clients who aim to find the suitable flag for their ships.

Secondly, Rayah has a team of professional marine engineers & experienced captains who have all necessary approvals to perform almost all type of ships` surveys under all flags we represent.

Thirdly, Rayah in a position to provide after sale services, this includes all consultancy services. Our expert staff will follow up our clients` demands and will make sure to deliver the requested consultancies at all times.

Lastly, Rayah geographic location makes it easy for our surveyors to perform time management for surveys in different countries. It also helps to guarantee the fastest and most economic courier delivery .

WHY IN TURKEY?

Turkey is located in a very special region, right in the center of the world, connecting Asia with Europe. Turkey is surrounded by sea on three sides. The Bosphorus channel which is considered as the heart of Turkey has played a vital role in the growth of the shipping industry considering that 41K ships transiting through Bosphorus channel in average yearly.

As a result of Turkey`s geographical location and global developments, Turkey`s shipping industry has been boosted. This mainly means the shipbuilding, cargo transporting by ships and all other related sectors that is supportive to the shipping industry, among of these sectors

DEPARTMENTS

REGISTRATION DEPARTMENT

We are in a position to suggest to the owner the most advantageous flag through our specialized team based on their parameters the following services:

- Ships` Registration under various flag states "Panama, St. Kitts & Nevis, Belize, Mongolia, Barbados, Dominica, Togo, Tanzania and other flags";
- Yacht Registration under various flags "U.S.A, Belize, St. Kitts & Nevis, Belize, Malta, and other flags"
- Incorporation offshore companies under Panama, Liberia, Marshall Islands, Belize and Nevis.

SEAFARERS DEPARTMENT

We process seafarers` certificate of endorsements under various flag administrations:

"Panama, Mongolia, Belize, St. Kitts & Nevis, Malta, Togo, and other administrations".

CONSULTANCY DEPARTMENT

We are in a position to provide ISM/ISPS Management Consultancy of different types of vessels irrespective of size.

We always focus to provide our advisory consultancy with the best practice management based on ILO International Standards "MLC 2006".

TECHNICAL DEPARTMENT

We manage the following activities in our Technical Departments through our qualified surveyors:

- Annual safety inspections under Panama flag ASI;
- Flag State inspections under Belize, St.Kitts & Nevis and Tanzania flag;
- Classification and certifications as agents for Qualitas Register of Shipping (QRS);
- Classification and certifications as agents for Cosmos Marine Bureau (CMB);
- Classification and certifications as agents for (Novel Class);
- Insurance and P&I Condition Surveys;
- Ultrasonic leakage test for cargo holds hatch covers;
- Pre-Purchase Condition Surveys;
- Preparing, Review with approval "SOPEP, Garbage, SEEMP, MLC, Ballast Water Management Manuals, SSP, IHM, Cyber Risk Management and other more".
- Technical Supervision for ship`s maintenance, drydock, class surveys on behalf of shipowners.

FLAGs REPRESENTATION

BELIZE

Our company is the designated office in Turkey region as deputy registrar under The International Merchant Marine Registry of Belize, known as "IMMARBE".

The quality of its fast and effective services makes the Belize Registry one of the leading Ship Registries in operation for more than twenty years. With Belize flag we are open to all types of vessels (bulk carrier, cargo ships, tankers, containerships, passenger ships, fishing vessels, tugs, yachts, barges, MODUs and other ocean-going vessels). There is no restriction in ownership as all foreign owned companies or individuals may register vessels under the Belize Flag. IMMARBE head office is located in Belize. Its regional technical office is located in Spain.

Registration under Belize flag has many advantages for shipowners among of them the cost effective registration fees, annual fees, incentives for deductions when registering two or more vessels and minimum costs & requirements for seafarers' endorsements. Belize flag assigned our company as the only representative office in Turkey aiming to allow shipowners to work with our office directly to avoid time difference & courier delays for all clients based in our area of operation.

SAINT KITTS & NEVIS

Our company is the designated office in Turkey region as a deputy registrar under St. Kitts & Nevis International Ship Registry (SKANReg).

St. Kitts & Nevis International Ship Registry (SKANReg) commenced operation in 2005. By the end of 2017 had registered over 2300 vessels with 800+ currently registered with a total deadweight of 8.5M. It also has also issued seafarer documents to over 25,000 seafarers of many nationalities.

SKANReg has been active in assisting buyers, banks and lawyers involved in purchasing ships for recycling for many years.

It is recognised for its sound Mortgage Legislation, which being based on English Law, is known, trusted and respected the world over.

SKANReg Head Office is conveniently located in London for worldwide time zones.

The advantages for ships registration under SKANReg are countless, reduced registration costs than any other flag, easy web applications, certificates on digital versions, convenient & cost effective endorsements and the most important support from the head office around the clock.

MONGOLIA

Our company is appointed as authorized agent in Turkey Region for Mongolia Maritime Administration

Mongolia Ship Registry registered approximately 3000 vessels while around 500 vessels having regular registration. Although Mongolia is a landlocked country, the total tonnage and number of Mongolia registered vessels are more than that of some countries which have sea access. This is an indication that Mongolia has achieved a presence to some extent in this sector. The head office of MMA is based in the capital of Mongolia "Ulaanbaatar". All type of ships registration under Mongolia is available including regular registration, mortgage registration, single voyage registration & bareboat ship registration.

There are many advantages for registration under MMA including the cost effective registration costs specially for special registration cases.

OTHER FLAGS

Rayah Maritime offers variety of other flags. We are in a position to bring best offers for our clients from flags on their selection mainly under below flags:

PANAMA

Our company has its team of legal representatives based in Panama. We are able to provide full services under this leading flag for all type of ships' registration for variable types of ships.

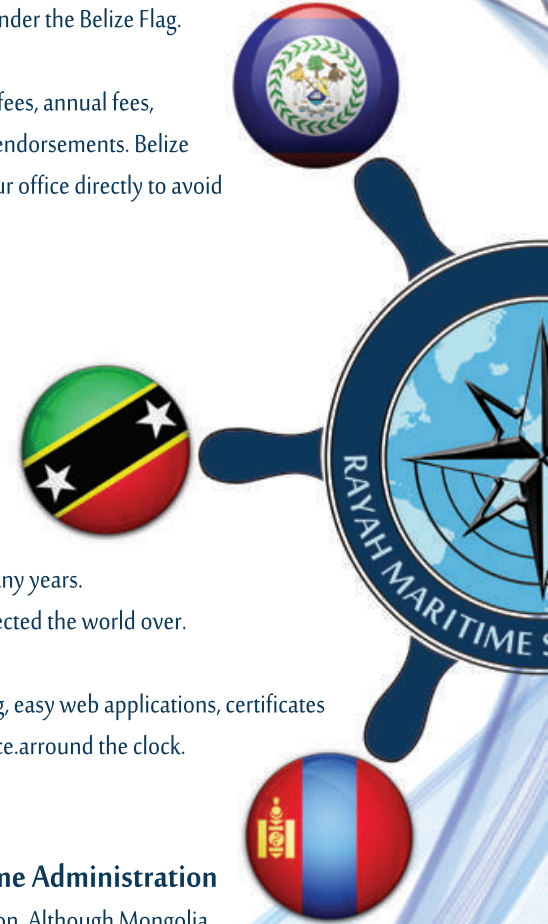

DOMINICA

Rayah Maritime can assist in ship registration for clients' vessels under the Commonwealth of Dominica flag. The Commonwealth of Dominica International Ship Registry is one of the most cost-effective international ship registries in the world.

BARBADOS

Barbados flag is a White-listed flag in Paris MOU. Our company can assist to register our clients' vessels under this reputed flag.

RECOGNIZED ORGANIZATIONS

QUALITAS REGISTER OF SHIPPING S.A. (QRS)

We are authorized under QRS to perform all types of ships' surveys as classification & Statutory surveys mainly under Panama flag, St. Kitts & Nevis flag & Barbados flag

Qualitas Register of Shipping is a Recognized Organization and Recognized Security Organization approved by several flags maritime administrations to acting on behalf of them to the issuance statutory certificates and approval of manuals, plans, etc.

QRS Class offers to the costumers around the world quality services with a competitive prices and high technical support. QRS thead office is based in Panama.

The advantages of choosing QRS counts for its credibility, support around the clock, very competetive quotations and recognition from top level flags. All our surveyors in different geographical regions hold permanent approvals from QRS.

QUALITAS
BUREAU

novelClass

NOVEL CLASSIFICATION SOCIETY S.A., (novelClass)

We are authorized under novelClass to perform all types of ships' surveys as classification & Statutory surveys mainly under Belize flag & Dominica Flag

Our authorization under novelClass has created an opprotunity for us to promote the flags which we represent, mainly Belize flag. novelClass head office is based in Cyprus. The classification society holds full recognition as Recognized Organization and Recognized Security Organization several flags. Its technical team are highly qualified and provide support work 24/7.

As a consequence of our representation to novelClass based on our both companies' mutual and long term relation, we are able to gurantee best services & reduced quotations for our clients' vessels.

Working with novelClass has expanded our capability to provide cost effective and services around the clock.

COSMOS MARINE BUREAU INC. (CMB)

Our company's surveyors are authorized under CMB to perform all types of ships' surveys either as Classification or Statutory Certificates surveys under several flags, mainly Mongolia & Togo

CMB possesses a global network of qualified surveyors and extensive resources in manpower and technology to act on their behalf in conducting the technical reviews, audits and inspections required under applicable international conventions, national laws and regulations. CMB provides responsive, professional technical services to designers, builders and shipowners through a network of local engineering offices strategically placed in major shipowning and shipbuilding centers. CMB is recognized and authorized by a variety of the flag Administration over the world to act on their behalf to conduct the statutory surveys and issue relevant certificates in accordance with the International Conventions.

Over the years, our company and CMB have been working for many cases for different ships' types and our clients were more than satified about their services and technical advice. Considering that CMB head office location, in Busan, South Korea, we were able to cover very important part of the world. Due to our partnership with CMB, we can assure the service quality to our clients at its upmost.

COSMOS
MARINE
BUREAU

P&I

CONDITION SURVEYS

Our expert surveyors perform Condition Surveys for Insurance & P&I companies. Our company is appointed by some top level insurance companies in the world among of them is MS Amlin and few others.

S&P

PRE-PURCHASE SURVEYS

Rayah Maritime is in a position to perform Pre-purchase condition surveys almost in every part in the world for the following type of ships: General Cargo Ships, Container Vessels, Bulk Carriers, Tankers, Chemical Tankers & Livestock Carriers.

We are in relation with top-level survey companies who are able to conduct the pre-purchase inspection in ports we don't have a representative surveyor or where there is a traveling restriction to this country.
