## Rebecca Christian | Artist - Creator of watercolour wildlife inspired luxury products.

Rebecca holds a degree in Scientific Illustration and over 20 years experience in the design sector providing Rebecca with the artistic and technological expertise required to create the unique brand and product range she offers today.

Her products are featured in prestigious venues such as -

**The Liverpool Museum, The Atkinson Gallery Southport, The Royal Liver Buildings,**

as well as independent gift shops and online globally.

Stock the 'Rebecca Christian' brand and tap into the international demand for naturalist, authentic British designs that embody the contemporary appreciation for the natural world and all things ecological.

Inspire your customers with Rebecca's passion for nature's beauty and fragility, captured in her exquisite watercolour artwork.

**Be inspired....**
