## Invitation Newsletter

### Reflex Photographic Club are inviting new members.

Have you received a new camera as a present or currently enjoy photography and want to take your hobby to the next level then joining a camera club could be for you?

Camera clubs are a great outlet from work and day to day routines and can help ignite your creative juices.

At Reflex we are a friendly group of like-minded people who love photography and are always ready to help with anything from finding the 'manual' button to mounting images for competitions. We have beginners through to very experienced photographers and the ethos of the club is to have fun and socialise whilst developing photography skills.

There are challenges from competitions and talks from professional photographers covering a range of genres from Macro through to how to use your phone camera properly.

We meet at the Netball Centre, Rainham Girls School on the 1st, 2nd and 4th Thursday each month with meetings starting at 19:30 till 21:45

Under 18s are very welcome but must be accompanied by a parent or guardian

You can apply for membership by clicking on our website and follow the link [www.reflexphoto.co.uk](http://www.reflexphoto.co.uk) or follow us on Facebook [www.facebook.co.uk/reflexphotographicclub](https://www.facebook.co.uk/reflexphotographicclub)
