Brescia Talent clarinet course with Reinhard Wieser September 11-16, 2023:

Depending on personal strengths and wishes, I want to work with you on standard pieces (from Mozart to Bucchi....) and orchestral excerpts. With 37 years of orchestra, chamber and solo experience I look forward to share my knowledge with you.

Furthermore I have a huge pile of exercises especially concerning articulation, technique, intonation and breathing issues. We have a pianist as well, so lots of clarinet fun but also improvement is guaranteed!
