Item Description:

EpicPremium Racer Back Running Vests are designed specifically for the UK market, using premium materials.
 Our unique smooth polyester yarn stops chaffing and is both breathable and anti-bacterial.
 This garment is now also available in our new Super DryLite yarn
 Super DryLite is the latest, cutting edge material made from extremely fine polyester fibres, uniquely weaved into a super-light material which provides high wicking properties and superb print reproduction.

Super DryLite yarn is the lightest material available in the UK and unlike anything else available! Super DryLite features **Anti-Chafe, Anti-Snag** weave which offers **unrivalled wicking** capabilities!
