THE STIG/ACE PACKAGE (from Arlanda) 2021-22

The Coolest Driving Experience!

This package gives you a unique opportunity to spend a few days with 2 fantastic guys who together can tell exciting stories and facts about the Rally World's most iconic car, the Audi quattro S1E2.

Anders (Ace) Carlsson career started back in 1976.

From 1987 to 1995, Anders built and competed with various Audi quattro cars, which resulted in 10 Swedish, Nordic and European Championship medals in rallycross. In 1989 he became the overall winner of the Swedish rallycross/Hillclimb Cup.

Stig Blomqvist career started back in 1964 and 1984 he became Rally World Champion in an Audi Quattro

This package is designed for the connoisseur who values more things than just ice driving such as nice dinners, pleasant conversations by the fireplace and exciting stories taken from their careers.

What is included?

Three nights accommodation, all meals, all transfer (local & Luleå Airport), two full days of ice driving in BMW/AUDI/PORSCHE with instructor, passenger ride, Aurora chase.

Price: 2499 GBP / 2950 Euro
