## WHO WE ARE

Formed in 1875, we are the 3rd oldest club in Hertfordshire. We are an important and integral part of the local community, having played at our present ground in Garden Walk for the last 88 years. The last 10 seasons have seen us enjoy the most successful period in our **144 year history**, as 4 promotions have seen us rise to The Southern League Premier Division - Step 3 of the non-league football pyramid, **our highest level ever**. This recent period of success has coincided with a number of improvements off the pitch, as we have developed our ground to accommodate Step 3 football.

We have also seen the introduction of 2 Ladies teams, perfectly complementing our existing 2 Men's, Veterans and U18 team's, that offer football to the local community. During the past year we successfully created the '**Royston Town FC in the Community**' programme focusing on School Sport, Community Activities and Youth Development, with the ultimate aim of creating inclusive sporting opportunities for local children. Via this program we actively engage with over 600 local children a week.

## HOW YOU CAN HELP

To enable us to continue our progress and achieve our objectives we are always looking for financial support from local, national and international companies who wish to align and affiliate themselves to our '**Football For All**' ethos and ambition.

We have a wide number of sponsorship opportunities available to welcome you into the ever expanding Royston Town football family, whilst also providing you with a wide range of exposure to promote and grow your business.

# COMMUNITY PROGRAMME

Becoming the principal sponsor of our ever expanding community programme represents a unique and fantastic opportunity for the right organisation

It's always been our ambition to make Royston Town FC a focal point for the town and something to be proud of. Whilst we have made incredible progress on the field we now wish to see our interaction with our local community outside of football, match that progression.

We work very closely with Royston Town Youth FC, offering all 536 players complimentary season tickets and we've invested in developing Ladies football and now have two successful senior sides, a Female Development Centre and a growing number of Youth sides. However, our connection with children outside of football has been very limited. The sale of former Royston Town goalkeeper, Will Norris, from Cambridge United to Wolves, resulted in a cash injection for the Club and a large proportion of this money was invested into setting up a Community Sports Programme for the benefit of the whole town.

Whilst football will always be our main focus, our intention is to interact with the town's youngsters and encourage every child to take up sport or physical activity in one form or another. As parents and responsible adults we owe this to our children and Royston Town FC will play its part in making that happen.

Our mission is:

To engage with the Royston community using the power of sport to help them **realise their potential**. Providing the **Opportunity** to participate in recreational and competitive sporting activities. **Welcoming** and **Supporting** all members of the community

What we offer:

- School Holiday courses
- PE curriculum support
- Extra curricular clubs
- School Assemblies
- PPA Cover
- RTFC Projects
- Anti-Bullying projects
- Education projects
- Tiny Tots activity programme

Some Facts & Figures

- Our youngest participant is just 18 months old taking part in our new Tiny Tots programme.
- We are currently working in 7 different schools in and around Royston.
- Actively engaging with over 600 children on a weekly basis
- Currently delivering 6 different education projects
- A wide range of sports being delivered not just football
- Currently running 8 extra curricular clubs each week
- Over 150 children have signed up to our School holiday courses so far!

## **"AND NOW A FEW WORDS FROM OUR SPONSORS"**

"We had a great afternoon watching the football at Royston Town, where we were made to feel very welcome. All of our staff thoroughly enjoyed themselves and it proved to be a good team bonding event. The added bonus was the exposure it gave to the company to a new, local audience."

**Specialized Security Products, Match Day Sponsor 2018/2019**

"We are proud to be the current sponsors of Royston Town FC this season and for the previous four seasons. It's been a pleasure to support and in particular provide the kit for both of the Clubs Ladies teams. Our sponsorship has not only helped us as a business to expand our customer base but also allowed us the opportunity to make contributions to the development of women's football and the Royston community. Both Royston Tandoori business partners, Mahbubur Rahman and myself would like to take this opportunity to thank our customers including Royston Town FC for their loyalty and support not only for the past five years but since the business opened in 2005 and we look forward to continuing our support into the future."

**Syed Miah, Royston Tandoori, Sponsor since 2014**

"We take great pride in sponsoring our local Football team each year for a home match - the bonds between our two sides are strong and this small act of sponsorship is one we are proud to carry out. We are always made most welcome and the afternoon is an enjoyable one with the President, Chairman and all other committee members making us more than welcome"

**Secretary, Royston Cricket Club, Match Day Sponsor 2018/2019**

"Our match day experience was a most pleasurable one and we were made to feel welcome from the moment we entered Garden Walk – it's good to feel that in some small way we have helped the Crows match day experience and the promotion of our well run and successful football team"

**Ian Brown, Match Day Sponsor 2018/2019**

"It was a fantastic evening, the hospitality was fantastic"
